Message From WHA Information Center:--
 The 2007 Wisconsin Inpatient Hospital Quality Indicator Report is now available on the WHA Information Center Web site. You may open the report at this link: http://www.whainfocenter.com/data_resources/2007_QIRreport.pdf. This report, which does not identify individual hospitals, is intended to provide information about the quality of care in Wisconsin hospitals. WHA Information Center is required to publish this report per Chapter 153 of the Wisconsin Statutes. The quality and safety measures for the 2007 report are based on inpatient hospital data for 133 general medical and
