Welcome

Glenna Orsbin joins WHA Information Center as Senior Data Analyst

Glenna Orsbin is the newest member of WHA Information Center, recently joining WHA as Senior Data Analyst. A graduate of Carroll College in Waukesha, Orsbin will be responsible for ensuring the integrity of discharge data collected quarterly from hospitals and ambulatory surgery centers. She is also responsible for producing ad-hoc and custom reports for internal and external customers as well as coordinating production of four annual publications. She reports to Julie Callies, WHA Information Center Director.

"We are very pleased to welcome Glenna to our staff. She brings 15 years of solid experience as a data analyst. We're always looking to increase our efficiency, and Glenna will play a key role in helping us produce more complete, accurate and useful data for our customers and for the general public," Callies said.

Glenna's e-mail address is gorsbin@wha.org.

Website Updates

Changes have been made to the WHAIC Website at www.whainfocenter.com. We hope you find the look and feel of the Website to be more user- friendly. Please continue to contact us with recommendations for updates; your input is appreciated.

NPI Update

Please remember to send us your provider NPI's, you may forward them to bcompetente@wha.org. Do not forget to include all of your providers who have an NPI. This may include your PAs, CNMs, and APNPs.

Important Dates and Deadlines

June 30: - Extended deadline to mark Q407 OHO and Q108 INP, OPS, ER and OBS data complete.
