

**Categories and Codes**  
**Exempt from**  
**Diagnosis Present on Admission Requirement**

*Note: “Diagnosis present on admission” for these code categories are exempt because they represent circumstances regarding the healthcare encounter or factors influencing health status that do not represent a current disease or injury or are always present on admission.*

*Categories or subcategories listed are inclusive of all codes within those categories or subcategories, unless otherwise indicated. In order to streamline the POA exempt list and make it easier to read, where all of the codes in a code range are POA exempt, only the code range is shown, rather than listing each of the individual codes in the range.*
