

Region Information: Hospital Participation in Psychiatric Bed Locator and Psychiatric Beds Set Up and Staffed

State Mental Health Institutes			
Location	Hospital	Participates in WHA Information Center Bed Locator	Psychiatric Beds Set Up and Staffed (2021 Guide to Wisconsin Hospitals)
Winnebago	Winnebago Mental Health Institute	No, except as of August 2023, is sharing Pre-Admission Checklist on Bed Locator. Winnebago MHI is planning on reporting civil beds set up and staffed on Bed Locator in Fall 2023.	184* - This figure includes criminal justice system (forensic) beds. The state does not separately report non-criminal (civil) beds utilized for emergency detention in the Guide to Wisconsin Hospitals. According to DHS in 2021, an estimated 100 adult civil beds and 40 youth civil beds are set up and staffed.
Dane	Mendota Mental Health Institute	No	299* - This figure includes criminal justice system (forensic) beds. The state does not separately report non-criminal (civil) beds utilized for emergency detention in the Guide to Wisconsin Hospitals. According to DHS, Mendota is used almost exclusively for the treatment of forensic patients, but it also has a small unit for civil patients who require geriatric care.
