

V. Facility Identification Codes¹

This information can be found in the relational data product data support table **tlkFacility**. For a current list of facility information, please refer to [Appendix 1](#) in the Wlpop Data Submission Manual.

Veteran Care Hospitals

No patient record data is available for the following:

Code	City	Hospital Name
175	Tomah	<i>Veterans Affairs Medical Center</i>
176	Milwaukee	<i>Clement J. Zablocki VA Medical Center</i>
177	Madison	<i>Wm. S. Middleton Memorial VA Hospital</i>

Facility Closings and Mergers and New Facilities

*Due to facility closings and mergers, data has been combined from certain facilities and assigned a new facility identification number for purposes of analysis. Purchasers of data may find it useful to know the dates when such changes have occurred. Note: All facility closings and mergers prior to 2020 Q1 have been excluded from this table. For historical information prior to that data release, please contact WHA Information Center. Facility information can also be found in the relational data product data support table **tlkFacility**.

Date	Individual Facility ID Numbers	Combined Facility ID Number
Q2 20	269 – Aspirus Surgery Center	Data now submitted through Aspirus Stevens Point Hospital (324)
